DISCLAIMER: Custom manufactured axles, defined as axles for non Magic Tilt manufactured trailers, are built to customers' specifications as detailed on this worksheet. Custom axles are neither returnable nor refundable when accurately built to customers' specifications.

CAUTION: Magic Tilt axle and brake components may not be compatible with other trailer manufacturers' axle and brake components. Please ask your Magic Tilt sales representative about potential incompatibility issues prior to placing an order. Magic Tilt will not be responsible for any axle or brake component compatibility problems with components from another manufacturer.
